**ITAA'S 1ST ONLINE CONFERENCE**  
will run 24 hours a day for 3 consecutive days to cover all time zones.

We have **four exciting keynote speakers** lined up: Richard Mollica, Izumi Kadomoto, Sue Eusden, and Sylvia Schachner.

Along with **55 workshops**, there will also be **recreational (playful) spaces during the conference (a social program)** with virtual "cocktail parties" and "coffee breaks."

The plenary sessions and workshops will offer **interpretation in 13 languages**: Bosnian/Serbian, Chinese, Dutch, Farsi, French, German, Italian, Japanese, Korean, Polish, Portuguese, Russian, and Spanish (as long as at least 15 people sign up for each language).

**Registration includes** access to recordings of the keynotes, plenaries, and workshops. There is also a reduced-price option to register for the recordings only.

Please note that **this is a 24-hour a day program. Some workshops will be running in the middle of your night-time.** Select only the workshops you are able to attend based on your time of day. (When you pay for the live event, even if you only attend 3 workshops, you will have access to ALL workshop and keynote recordings.)
